Re: Safety Light Corporation Site
Bloomsburg, Pennsylvania

Dear Sir,

The following information is provided in response to the request for information from the United States Environmental Protection Agency (USEPA), dated July 21, 2005 and received by the University of Missouri-Rolla on July 26, 2005. The University of Missouri-Rolla is one campus of the University of Missouri System, the formal legal name of which is The Curators of the University of Missouri. The Curators of the University of Missouri is an arm or instrumentality of state government in the State of Missouri and, as such, enjoys both sovereign immunity and Eleventh Amendment immunity from suits in federal court.

Information Requested

Please answer the following questions in accordance with the Instructions set forth above.

1. *Describe in detail the business relationship between UM-Rolla and Safety Light.*

A comprehensive search of University of Missouri – Rolla (UM-Rolla) records and archives, both hard copy and microfilm, revealed no records documenting any relationship between UM-Rolla and Safety Light or its predecessors or affiliated companies identified by the USEPA in its information request.

2. *Did UM-Rolla ever transport and/or broker hazardous substances and/or radioactive waste or other wastes that were disposed of or reclaimed by U.S. Radium, Lime Ridge Industries, USR Industries, USR Metals, Metreal, Isolite to this Site?*

Based upon the record search described in the answer to Question 1, the answer is believed to be "No".

3. *If you answered "yes" to Question 2, please answer the following questions:*

Note: The answer to Question 2 was "No".

4. *Did UM-Rolla ever generate radioactive wastes or other wastes that were disposed of or reclaimed by U.S. Radium, Lime Ridge Industries, USR Industries, USR Metals, Metreal, Isalite at the Site?*

See answer to Question 2.

5. *If you answered "yes" to Question 4, please address the following issues:*

Note: The answer to Question 4 was "No".

6. *If you have reason to believe there may be persons able to provide more detailed or complete responses to any questions contained herein, or who may be able to provide additional responsive documents, provide the names, titles, areas of responsibility, current addresses, and telephone numbers of such persons as well as additional information or documents they may have.*

UM-Rolla does not have any reason to believe there may be persons able to provide more detailed or complete responses to any question continued herein.

7. *For each and every question contained herein, if information or documents responsive to this Information Request are not in your possession, custody, or control, then provide the names, titles, areas of responsibility, current addresses, and telephone numbers or the persons from whom such information or documents may be obtained.*

UM-Rolla has no knowledge of any persons from whom such information or documents may be obtained.

8. *If you have any other information about other party(ies) who may have information that may assist the Agency in its investigation of the Site, or who may be responsible for the generation of, transportation to, or release of contamination at the Site, please provide such information. The information you provide in response to this request should include the party's name, address, type of business, and the reasons why you believe the party may have contributed to the contamination at the Site or may have information regarding the Site.*

UM-Rolla is not aware of any other information that may assist the Agency in its investigation.

9. *If any of the documents solicited in this information request are no longer available, please indicate the reason why they are no longer available. If pertinent records or documents were destroyed or are missing, provide us with the following:*
